

2017 ENRICHMENT ACTIVITIES

We are pleased to announce several enrichment programs will be available after school for children of M.C.D.C. **These activities are separate from our program and are provided as a convenience to the parents and children.** While on site after school, even when participating in an after-school program, the children are still in the care of MCDC, therefore, extended care fees are applied. You are billed along with your monthly tuition with a **discount of \$1.75 per class.** The individual program teacher handles all charges for enrichment classes. **You may correspond with them through the files (at the back of the go home colored file folders or email).**

Cut the above portion and keep in your records for communication with the teacher.

Child's Name: _____ Birth date _____

As the parent of the above-named child, I understand when my child is participating in one of the enrichment programs this is strictly under the supervision of the instructor in charge of the program. These instructors and some MCDC staff have an agreement with the Montessori Child Development Center for facilities use only. **MCDC does not administrate or operate these programs. All communication is separate from MCDC. Please use the contact info above to ask questions.** The instructors are responsible for all communication with parents and implementing the program they offer. Instructors teaching an enrichment program are fingerprinted and cleared by the Department of Justice. **Please return this form with your registrations.**

I have signed an agreement with the instructor/director of each of the enrichment programs that my child will be attending. I give permission to the Montessori Child Development Center to release my child to the teachers of the classes. I understand that for the time of the class the program teacher is responsible for my child.
