Child's Name: _____ Birth date _____

As the parent of the above named child, I/We understand when my child is participating in one of the enrichment programs this is strictly under the supervision of the instructor in charge of the program. These instructors and some MCDC staff have an agreement with the Montessori Child Development Center for facilities use only. MCDC does not administrate or operate these programs. The instructors are responsible for all communication with parents and implementing the program they offer. Instructors teaching an enrichment program are fingerprinted and cleared by the Department of Justice.

If you are picking up your child after an extra-curricular class, please do not disrupt the class in session. Wait on the deck for the class teacher to dismiss. You must still sign him/her out **AND check out with the extended care staff (not just the teacher of the class).**

I have signed an agreement with the instructor/director of each of the enrichment programs that my child will be attending. I give permission to the Montessori Child Development Center to release my child to the teachers of the classes. I understand that for the time of the class the program teacher is responsible for my child.
