I understand that my child will be participating in swimming lessons each day of the summer session in which he/she is enrolled (weather permitting). Children change into and out of bathing suits on the deck under the shade canopy. This is an open area and the children have been very comfortable with this arrangement. If for any reason you or your child is not comfortable with their changing together in this open area, please let us know by writing a note on this form. Parents are responsible for providing bathing suits and towels, which need to **be clearly labeled** and will be sent home for laundering each Friday and should be returned the following Monday.
