

Dear Parents,

The State of California Department of Health Services now requires that all schools, childcare facilities, and family day care homes report Race/Ethnicity and Place of Birth with the California School Immunization Record along with your child's Immunization Record. The information on this form along with a copy of your child's Immunization Record will be required for enrollment.

Please fill out the following form and return to M.C.D.C. If you have any questions or concerns regarding this form or your child's Immunization, please call Yolanda Herlich with the County of San Diego Department of Health Services at (619) 692-8670.

Thank you,

M.C.D.C. Staff
