

WAIVER:

At Montessori Child Development Center (MCDC) the safety of your children is our first priority. One of our biggest concerns over the years has been the driveway and parking area in front of the school. Unfortunately, some drivers come into the driveway at a much faster speed than is safe when children are out front.

Most of you are very conscientious and we thank you for that. Unfortunately, some parents/guardians allow children to run, unattended to their car or to the door. This is a great concern to us.

The purpose of this notice is:

- 1. As stated in the handbook you must always hold your child's hand in the front of the school, parking area and driveway. This directive applies to students, siblings, or friends of enrolled children (under 8 years of age). Thank you to those who follow this rule.*
- 2. This serves as another notice/reminder of this safety protocol.*
- 3. We ask that both parents/guardians of enrolled children sign the waiver below and return to the office with your enrollment papers.*

As parents of enrolled students, I/we release MCDC of responsibility for any harm or injury that comes to my/our child in the parking/driveway once I have taken charge of him/her and we are leaving the building. Parents must communicate this responsibility to your designated care giver who is picking up your child. Again, we thank you for your help and cooperation.

Sincerely,

Marijane Schafer, MCDC Executive Director
